INT. LEE-LEE BEDROOM - DAY

Sims shakes Lee-Lee to wake him up.

LEE-LEE

Is that right, Lil Bro? I just had a visit from my guardian angel letting me know them bitches are here to take both heads and they brought company.

Lee-Lee pulls his .50 caliber from under his pillow

LEE-LEE (CONT'D)

These hos' stickup days have come to an end. Take Raisin in the bathroom and knock that bitch in the head, rig her up. Im gonna read Bell her last rites, finally some real excitement in this smokey motherfucka!

Bell and Raisin sitting on the couch in the living room.

LEE-LEE (CONT'D)

Bell and Raisin, my two favorite bunnies. Where the fuck you girls been! I haven't seen you hos' in weeks. I was about to put out an Amber alert on your asses. Come on back here and let me see ya!

Raisin gets off the couch and goes into Lee-Lee's bedroom.

BELL

Fuck all this chit-chat! What you got the good?s

LEE-LEE

Easy girl. Ill take care of you. You know im working wit the best coke in the world. Look over there at the walk-in closet. (Lee-Lee points to the closet) watch this!

Raisin and Bells eyes light up and they grin

BELL

We never dreamed you had that much stuff, Lee-Lee.

LEE-LEE

Now that you do keep this shit
between us. If the wrong people
found out, I can get in a world of
trouble. But you girls are family,
right? Raisin, ill give you a key
to smoke right now if youll give
Sims some pussy for his birthday.

Followed by a pause, everybody in the bedroom starts laughing
at Lee-Lees comment.
