EXT. APARTMENT BUILDING - DAY

APOLLO, black male age 35 with tattoos on his face and arms, stands and talks to BLAZE age 34, with a tear drop tattoo next to his eye and a gold chain, walk into the entrance of the projects.

GOON

You know...some guys do all the talking and they say this, they say that, but they never back it up. Other guys, they don't say one word and things get handled. You seem to talk too much and when push comes to shove, you sort of seem a little bitch. Now listen, don't get your feathers all straight, what I'm saying is that I don't think you have the balls to see the guy disappear.

Do you or not?

Look, from now on, I don't want to hear one more word about this guy ever again in my presence because there will never be a reason for you to mention him ever again. And if you do, I kid you not, you will join him.

Alright, so, where's my lasagna?
How long I gotta wait over here?
